Fifty cents a year.

NO. 3

IDEAS.

A beautiful behavior is the finest of the fine arts.—EMERSON.

To-day's harvest is the death and decay of last year resurrected.

Everything in it—the Bible—is grand and worthy of God.—NAPOLEON.

There is as much difference between a patriot and a political partisan as there is between the Apostle Paul and Judas Iscariot.

In the United States the annual cost for crime is \$600,000,000. Eighty per cent, or \$480,000,000, is on account of the liquor traffic.—HON. EUGENE SMITH, New York.

TAKE NOTICE.

Dr. Burgess will conduct Sunday morning services at the Tabernacle at 11 o'clock. Topic, "A Man's Duty." The vesper service will be under the trees at 4 p. m. Good music. Come.

All members of the Baptist church are requested to be present at next Sunday morning service. A subject of special importance is to be presented. At night the text will be Mark 12:34, a text suggested by the late J. F. Rice shortly before his death.

FROM THE WIDE WORLD.

An electric line to cost \$20,000,000 is to be constructed between Liverpool and Manchester, England.

Edward VII, of England, whose coronation was postponed indefinitely because of his dangerous illness, is recovering health rapidly.

Civil government has been granted in the Philippines. On July 4 President Roosevelt's amnesty proclamation was read in English and Spanish from a flag-draped stand on the Luzetta, Manila, after a parade of 6,000 Americans and Filipinos. About 600 political prisoners were released by the proclamation, among them Aguinaldo.

IN OUR OWN COUNTRY.

Nine thousand freight handlers in Chicago are on strike.

The Fourth of July casualties this year show 17 killed, 1,592 injured, \$67,469 fire losses.

The appropriations by the Congress just adjourned exceed the receipts of the National Government by \$50,000,000.

A bill has been introduced in Congress for the removal of the bodies of the presidents, except George Washington, to Arlington cemetery.

In a violent storm in Ohio last Thursday night thousands of acres of wheat in the vicinity of Zanesville were ruined, and meadows and corn suffered severely.

COMMONWEALTH OF KENTUCKY.

The Bell county teachers' institute, John Burk, of Newport, as instructor, began Monday, and will last until Friday.

Eastern capitalists have acquired 3,000 acres of coal land in Whitley county, and several thousand acres more have been optioned at about \$15 an acre.

Councilman John Skain, of Lexington, is authority for the statement that Gov. Beckham will make the race for renomination for governor, and favors primary elections.

Representatives of eight Bath county oil companies have subscribed \$30,000 for a pipe line from Ragland to the C. & O. R. R., 14 miles in length. It is to have a capacity of 1,200 barrels daily.

The Lexington and Detroit Oil company last Saturday bought from Louisville people 45,000 acres of oil lands in Knott, Knox, Floyd, Jackson, Letcher, Clay and Lewis counties. The price is kept secret.

Internal Revenue Commissioner John W. Yerkes is at his home in Danville for rest and recuperation. Strong pressure will be brought to bear to induce him to become a candidate for the Governorship next year.

According to the census report just published there were, on June 1, 1900, 234,667 farms in Kentucky, and were valued at \$382,004,890, of which 76 per cent were in land and improvements other than buildings. The total value of farm property was \$471,045,866.

TO THE TEACHERS AND TRUSTEES OF MADISON COUNTY.

The Teachers' Institute for white teachers will be held during the week beginning Monday, July 28, 1902, and for colored teachers during the week beginning Monday, Aug. 4.

Every teacher of a common school, including teachers of graded common schools in cities of the fifth and sixth classes, who hold a State diploma, State certificate, or County certificate, shall attend the full session of the institute five days, not parts of days.

The law makes it the duty of the County superintendent to revoke the certificate of any teacher who shall fail or neglect to attend the full session of the institute, unless the superintendent shall be fully satisfied that such failure has been caused by actual sickness or other disability. The teacher's certificate can be revoked for failing to attend one day, as well as for failing to attend at all. None other than legal excuses will be accepted.

Trustees, and all interested in the cause of education, are requested to attend.

J. W. WAGERS, County Supt.
